■ DK- Don't know

1. Parents are given information regarding the RtI process which involves an introduction or overview of RtI as a tiered prevention process, types of interventions, and ways they can support their child at home.

2. Parents are notified about their child's performance on all screening measures.

 Parents are notified and their participation in the Rtl process is solicited when their child begins a secondary or tertiary tiered intervention. 4. Parents of children who receive interventions at any tier are provided reports (once per quarter) on their child's interventions, goals and progress.

5. Parents are provided information regarding their right to ask for an evaluation for special education services/programs at any time during the Rtl process.
