

# Tiered Intervention Inventory for Scientifically-Based Core Instruction Strategies to Improve Literacy

Strategy/intervention and brief description (Cite Source)	Grade(s)	Skill(s) addressed	Tier I, II, and/or III	Group size	Who can do	When	Scientifically Based?	Sufficient Materials?
Fluency/FCCR Website	5-8	Fluency	Tier II and III	1:1 or up to 5:1	Anyone	NBI Academic lab Instructional support		Materials will be provided at data meeting
Comprehension/FCCR	5-8	Comprehension	Tier II and III	1:1 or up to 5:1		NBI Academic lab Instructional support		Materials will be provided at data meeting
Phonics/FCCR	5-8	Phonics	Tier II and III	1:1 or up to 5:1		NBI Academic lab Instructional support		Materials will be provided at data meeting
Vocabulary/FCCR	5-8	Vocabulary	Tier II and III	1:1 or up to 5:1		NBI Academic lab Instructional support		Materials will be provided at data meeting
Phonemic awareness/FCCR	5-8	Phonemic awareness	Tier III	1:1 or up to 5:1		NBI Academic lab Instructional support		Materials will be provided at data meeting
Spelling and Compare (CCC) is used intervention that to enhance accuracy in vocabulary, word or other academic	5th	Spelling	Tier 1					

<a href="#">org/intervention-tools/tool:ccc/</a>								
	6-12	Comprehension, Citing, vocab in context	all	Computer administered	Computer administered			
ng (Intervention Central)	1-12	Fluency	Tier 2-3	1:1	Anyone including peers			
	5-8	Vocabulary, Comprehension	Tier 2-3	Computer administered	Computer administered			
ssisted Learning		Fluency, accuracy and Accessing/comprehending content	Tiers 2-3	1:1 (student with student)	Students coached by adult	ELA, content and specials	Yes	ELA Teacher will be trained to train student Faculty will be trained to coach

addressed: consider phonics, phonemic awareness, fluency, vocabulary, comprehension, math computation, concept and application, etc.  
Source of evidence: Peer reviewed journal with control group, [www.intensiveintervention.org/](http://www.intensiveintervention.org/), FCRR, What Works Clearinghouse, etc...  
Notes: Tier 2 Interventions (Group size 5:1 or less; at least 3 x/week, Tier 3 Interventions (Group size 3:1 or less; at least 5 x/week)
